

EDTA CHELATED SOLUTIONS

CORN MIX

LIQUID CHELATE BLEND

PRODUCT CODE: 13396

GUARANTEED ANALYSIS

Copper (Cu)	0.4%
0.4%....Chelated Copper	
Manganese (Mn).....	1.5%
1.5%....Chelated Manganese	
Zinc (Zn).....	5.5%
5.5%....Chelated Zinc	

Derived from: Copper di-ammonium EDTA, Manganese di-potassium EDTA, Zinc di-ammonium EDTA

PRODUCT INFORMATION: Morral Corn Mix is a chelated blend of zinc, manganese and copper. Morral Corn Mix may be used with ortho and poly phosphate products. Using Morral Corn Mix in the pop-up products, growers can provide micronutrients in a form that will assure availability to young plants. Morral Corn Mix may be corrosive to aluminum, mild steel and brass. Store in HDPE, fiberglass or stainless steel containers. Use only stainless steel, PVC, or polypropylene fittings.

DIRECTIONS FOR USE: Morral Corn Mix is recommended for use on all soils. For best results incorporate in fertilizer or mix in water. This will aid in allowing uniform distribution. See chart below for suggested application rates for one growing season (per acre) in the absence of a soil test.

	Application	Use Rate (per acre)	Timing
Corn	Soil (broadcast)	2-3 gallons	Before planting
	Soil (2x2)	2-8 quarts	
	Soil (in furrow)	1-2 quarts	At planting
	Foliar	1-2 pints	V5-V6

WARNING

MAY BE HARMFUL IF SWALLOWED
MAY CAUSE MILD SKIN IRRITATION
MAY CAUSE EYE IRRITATION
MAY CAUSE RESPIRATORY IRRITATION

PRECAUTIONARY STATEMENTS:

- Call a poison center/physician if unwell
- If skin irritation occurs, get medical advice
- If in eyes, rinse cautiously with water for several minutes; remove contact lenses
- If eye irritation persists, get medical advice
- Wash hands after handling
- Use only outdoors or in well ventilated areas
- Avoid breathing mist/spray
- If inhaled, remove to fresh air and keep at rest in a position comfortable for breathing
- Store container tightly closed
- Dispose of contents/container in accordance with national/regional/local regulations

FIRST AID MEASURES:

- IF INHALED: Move victim to fresh air. Seek medical attention if irritation persists.
- IF ON SKIN: Wash affected areas with soap and water. Seek medical attention if irritation persists. Wash contaminated clothing before re-use.
- IF IN THE EYES: Immediately flush with water for at least 20 minutes. Seek medical attention if irritation persists.
- IF SWALLOWED: If victim is alert and not convulsing, give one glass of water to dilute material and induce vomiting. Seek immediate medical attention.

PPE: Handlers and applicators should wear NIOSH approved particulate/mist respirator, if required. Safety glasses with side shields, goggles, or a face shield, long-sleeves, protective (rubber) gloves, and local exhaust ventilation are recommended.

CONDITIONS OF SALE: Recommendations for use of this product are based upon factors believed to be reliable. However, because time, place, rate of application, weather and other conditions of use are beyond the control of the manufacturer, no written or implied warranty is given for product performance. Morral Companies LLC warrants that this product meets the criteria published in its product specifications.
