

North Coast[®] ICE MELT

- **North Coast[®] Ice Melt is Gentle and Easy to Use**
- **Light Weight Package Reduces Waste**
- **Contains Magnesium Chloride to Help Melt at Colder Temperatures**

STORE IN A DRY PLACE

NET WT. 50 LB/22.7 kg

APPLICATION

First remove excess loose snow, then gently shake about 1 cup or 1/4 pound evenly over surface. Remove the slush and apply more product where ice remains. Reseal tightly after use and store in a cool dry area. Should not be stored in an area where leakage would cause damage.

CAUTION

Ice Melt is generally not used on new concrete, precast steps or patio blocks. Porous concrete may be harmed as well. Trees, grass and shrubs normally are not harmed by ice melt materials. Use only the suggested amount to avoid concentration in a confined area.

NOTICE

Seller makes no warranty, expressed or implied as to the results of the application of this product. Buyer assumes risk in using this product including storage and handling.
